

**DHL GLOBAL  
EVENT LOGISTICS**

Dear Sir or Madam,

with this letter we would like to inform you that since the beginning of this year, we have officially changed our company name to **DHL Global Event Logistics GmbH**.

Not least because of Covid-19, we have focused on the further development of our service portfolio in recent years. In addition to our comparatively new services in the field of digital solutions, we have also continuously expanded our presence in the areas of sports and cultural events, automotive-solutions and corporate events.

Of course, the handling of shipments for conventional trade fairs and congresses is still an integral part of our product portfolio.

However, due to our broader service offering that goes far beyond just the trade fair sector, we have decided to adapt our company name to better reflect that circumstance.

All general contracts, sales and delivery conditions remain unchanged. Apart from the name, the addresses of the respective offices remain unaffected by the change.

We ask you to use the new company name in our business correspondence with immediate effect and to adjust it in your system.

We look forward to continued successful cooperation.

If you have any questions, we are at your disposal.

Best regards

DHL Global Event Logistics GmbH
